

Agnes Topp
Environmental Compliance Manager
City of Carmel-by-the-Sea

Dear Ms. Topp,

The Carmel Chamber would like to offer our support of the City's application to the CalRecycle Beverage Container Recycling Grant Program for the installation of new dual trash-recycling containers at all of our City parks, open spaces, and facilities like the libraries, Sunset Center and Forest Theatre.

We commend the City of Carmel-by-the-Sea for its proactive approach in encouraging recycling in and around the village. As a community with a high visitor rate, these dual trash and recycling cans will help to reduce the amount of garbage going into the waste stream and model our village's commitment to sustainable recycling behaviors for our visitors. These efforts signify the City's dedication to recycling and keeping our communities and oceans clean.

Thank you for your efforts to preserve our village.

Sincerely,

Jenny MacMurdo

President/CEO

Carmel Chamber of Commerce
